About me:
I'm a software developer with a few years of experience working in an agile environment, I prefer working with a team, and I'm proud of my adaptability. As a game enthusiast I dream of becoming a game developer. And even though my skills are related software developing, I would like to learn more about game design and story writing.

WORK EXPERIENCE

20/02/2020 – CURRENT – Lisbon, Portugal
FULL STACK DEVELOPER – CGI

Since it was my first work experience I value what I learned about the business world, and how important it is for me to work with a team. I worked in several projects, developing both front-end (Angular) and back-end (Java and .Net C#).

EDUCATION AND TRAINING

12/09/2016 – 24/07/2020 – Lisbon, Portugal
DEGREE IN COMPUTER AND MULTIMEDIA ENGINEERING – ISEL –Instituto Superior de Engenharia de Lisboa

LANGUAGE SKILLS

Mother tongue(s): **PORTUGUESE**

Other language(s):

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	C1	C1	C1	C1	C1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

DIGITAL SKILLS

My Digital Skills

Frontend: Angular 2+, AngularJS, jQuery, Bootstrap | C# | .NET, .NET Core, .NET Framework | Unity | Java and Javascript | SQL (MySQL) | Python | GIT Hub

PROJECTS

12/09/2018 – 18/07/2019
GoCards - Final Project for Degree

In this project the application GoCards was developed with the objective of complementing visits to theme parks and other public spaces. We included several functionalities to help make visits more enriching. So the application is based on a map of the space, serving as a guide and suggesting points of interest for the user to go to, while also making it easier for the user to find them. It also has a stamp collection, that allows the user to collect stamps along his visits, showing interesting facts about the places that were visited.

DRIVING LICENCE

Driving Licence: B1
Driving Licence: B

HOBBIES AND INTERESTS

Lifeguard and basic life support course

Experience of around 8 months working in the area.

Competitive swimming

I've been swimming since I was a child, and was a member of a competitive swimming team for over 6 years.

Reading and Writing

I read a lot of fantasy books and because of that I also have wrote a little. More recently I made a D&D (Dungeons and Dragons) campaign for my family and friends.

Gaming

Since I was little I was always fascinated by games and how they worked. Having then followed with a degree in computer science my objective is to eventually work in the gaming industry. I've played almost every type of game, but my favourite has to be RPGs and fantasy in general.
